

Senate File 2326

S-5187

Amend Senate File 2326 as follows:

1. Page 1, before line 1 by inserting:

<Section 1. Section 476B.1, subsection 4, paragraph c, Code 2011, is amended to read as follows:

c. Was originally placed in service on or after July 1, 2005, but before July 1, 2012 2013.>

2. Page 2, before line 18 by inserting:

<Sec. ____ . Section 476C.3, subsection 5, Code Supplement 2011, is amended to read as follows:

5. a. The board shall maintain a waiting list of facilities that may have been found eligible under this section but for the maximum capacity restrictions of subsection 4. The priority of the waiting list shall be maintained in the order the applications were received by the board. The board shall remove from the waiting list any facility that has subsequently been found ineligible under this chapter. If additional capacity becomes available within the capacity restrictions of subsection 4, the board shall grant approval to facilities according to the priority of the waiting list before granting approval to new applications. An owner of a facility on the waiting list shall provide the board each year by August 31 with a sworn statement of verification stating that the information contained in the application for eligibility remains true and correct or stating that the information has changed and providing the new information.

b. Notwithstanding paragraph "a", if a facility that has received approval pursuant to section 476B.5 is not operational due to the maximum capacity restrictions of section 476B.5, subsection 4, and if additional capacity becomes available within the capacity restrictions of subsection 4 of this section attributable to a facility that was granted approval prior to December 31, 2011, either losing approval or voluntarily relinquishing eligibility, the first twenty megawatts of such additional capacity shall be allocated to and shall increase the maximum amount of capacity specified in section 476B.5, subsection 4.>

3. Title page, by striking lines 1 and 2 and inserting <An Act relating to qualification for and receipt of the wind energy and renewable energy tax credits.>

4. By renumbering as necessary.
